NEW	Adventure Lab: Berea, KY – Education, History, Arts, & Food Tour		
Lab Cache	The answer to the final location (#10) is....?	Answer:	

Berea Chamber of Commerce GeoTour #4 Completion Certificate

We've commissioned Terry Fields, a local artisan at Top Drawer Gallery in Berea, to custom design and create our souvenirs. Complete this certificate to earn your custom "Trekking Boone's Trace" souvenir for 2019-2020. This year's souvenir highlights the history of Berea and the trail blazing efforts of Daniel Boone to establish a road and create the first fortified settlement in KY. We also express our respect for the Native Americans and the changes to their way of life as this expansion into the American West took place. Please remember all lives sacrificed on both sides for this cause.
